

TRUSTED CBD RETAILER STOCKS SHELVES WITH  
BEST IN CLASS CBD BRANDS

COME BACK DAILY

## Client Profile

Anyone that enjoys CBD knows New York's Come Back Daily's retail location in New York City. The owners carefully select the most trusted and premium brands to share with their loyal customers at their brick and mortar locations and online. One of their core principles is to provide holistic wellness solutions for customers. Having your products on their shelves is like the Good Housekeeping seal of approval.

## Business Challenge

There's not much we need to say about Steven Phan and his Come Back Daily stores, as he's been a retail pioneer in the industry. High Falls Hemp NY and Come Back Daily have collaborated on several consumer facing events including panel discussions with veterans in honor of Veterans Day. This afforded High Falls Hemp NY to not only educate and interact with customers one on one, but to hear people explain how hemp-derived products have helped them cope with many issues.

## Results

Steven was able to double his sales post event. Gaining this loyal customer following has become very beneficial when bridging these customers to online sales. We appreciate his recognition of the premium quality of our products and the high standard to customer education. High Falls Hemp NY is a featured brand in his store, and he stocks our entire range of Full Spectrum and Terpene Blend Tinctures.

“ We always make sure we have High Falls Hemp NY CBD products on our shelves because they triple filter their CBD oil and have a wide range of products from 300-3000mg Full Spectrum tinctures.
